O R D E R :

The Member Secretary, AP Commission for Backward Classes, Hyderabad, in his letter read above, has stated that the A.P. Commission for Backward Classes was established with effect from 31.3.1994 and it was sanctioned one post of Deputy Director(stat), one post of Asst. Statistical Officer and six posts of Attenders along with other posts to assist the Commission in its day to day administration. According to "APCBC Officers and Employees Service Rules 1998" the method of recruitment for the posts of Deputy Director(Stat) and Asst. Statistical Officer shall be on deputation from the Directorate of Economics & Statistics. However, out of the six posts of Attenders sanctioned to the office, three posts were abolished during the Implementation Committee meetings held in 2002 and 2008.

2. The Member Secretary, AP Commission for Backward Classes, Hyderabad has also stated that one of the main functions of the Commission is to examine requests for inclusion of any class of citizens as backward class in the list and hear complaints of over-inclusion or under-inclusion of any backward class in such list and tender such advice to the Government as it deems appropriate. The Commission received as many as 118 applications from caste representatives for inclusion of their castes in the list of backward classes. The Commission has to conduct public hearings to hear the complaints of the representationists and to carry out the survey of the castes. The services of the incumbents in the posts of Deputy Director(Stat) and Asst. Statistical Officer are generally utilized for the household survey of the castes/ communities and in addition the services of other existing staff members of this office will also be utilized to accompany the Deputy Director(Stat) to assist in the survey.

3. The Member Secretary, AP Commission for Backward Classes, Hyderabad has further informed that the Commission is presently engaged in examination of the representations of the caste representatives for inclusion/adding of synonyms/removal of district restrictions/ change of groups etc., in the existing list of Backward Classes. The Commission after due verification/enquiries of the representations is submitting its reports to Government for inclusion or otherwise as the case may be for orders of the Government. In this connection, it is experienced that the two existing officials of the Survey Department working in the office are inadequate to attend to the needs of the Commission in conducting the households survey.

4. The Member Secretary, AP Commission for Backward Classes, Hyderabad has also informed that the writ petitions are also being increased day by day challenging the reports of the Commission/orders of the Government for inclusion of the new castes in the list of backward classes. One of the main objections in the writ petitions is either the household survey conducted by the officials of the Commission is

inadequate sample size on the basis of the population of a particular caste or it is not scientifically surveyed on various issues. To avoid all these legal complications, the Commission proposed to conduct a survey of all the castes/ communities in the State to undertake revision of the lists with a view to excluding from such lists those classes who have ceased to be backward classes or for including in such lists new backward classes. A detailed proposal in consultation with the Director of Economics & Statistics at a cost of Rs.50.00 crores to this effect was already sent to the Govt. for orders and it is not materialized so far due to financial implications. The Commission felt that there is an imperative need to have few more statistical personnel to assist the Dy. Director(Stat) of their office in the household survey and also Attenders to meet the immediate requirement of the Commission for the present.

5. The Member Secretary, AP Commission for Backward Classes, Hyderabad has requested the Government to accord necessary sanction to engage atleast three retired Statistical Personnel/Candidates having field experience in the Statistics to utilize their services as Asst. Statistical Officers and three Attenders on payment of a monthly remuneration of Rs.6,200/- and Rs.3,900/- respectively.

6. Government after careful examination of the proposal of the Member Secretary, A.P.Commission for Backward Classes, Hyderabad hereby accord permission to the Member Secretary to engage the services of two Assistant Statistical Officers @ Rs.6,200/- P.M. each and two Office Subordinates @ Rs.3,900/- PM each in A.P.Commission for Backward Classes, on outsourcing basis.

7. The expenditure shall be met by way of re-appropriation out of the overall savings within the existing budget provision of this office and shall be debited to the Head of Account "2225- Welfare of SCs,STs & OBCs, 03- Welfare of BCs, 001- Direction and Administration, 04- A.P. Commission for BCs., 300 – Other Contractual Services".

8. This order issues with the concurrence of Finance(SMPC) Department vide their U.O.No.10553.A/357/A1/SMPC/10, dated 13.5.2010.
